ABOUT ME

As a web developer, I blend creativity with coding skills to craft visually stunning and functional websites. With expertise in various programming languages, I build responsive interfaces that deliver seamless user experiences. My passion for staying at the forefront of web technologies drives me to create innovative solutions that captivate audiences. I thrive in collaborative environments, where I can contribute my skills to deliver high-quality web solutions that meet client objectives.

WORK EXPERIENCE

Frotend Developer
UNIAL Solutions PVT LTD [13/12/2022 – 13/07/2023]

City: Faisalabad
Country: Pakistan

During my internship at UNIAL SOLUTIONS PVT LTD as a Frontend Developer, I had the opportunity to gain valuable experience and enhance my skills in web development. Working closely with a team of experienced developers, I actively contributed to the design and development of user-friendly and visually appealing websites.

Web and Mobile App Development
Seeraht Institute and Research Centre [2021 – 2022]

City: Faisalabad
Country: Pakistan

During my internship at Seeraht, I gained valuable experience in translating design concepts into functional and visually appealing websites. I have also honed my skills in HTML, CSS, JavaScript, Ant Design, and React Js and developed a keen eye for detail in creating aesthetically pleasing designs. My internship has provided me with hands-on experience in the end to-end web design process and the opportunity to contribute to real-world projects.

Associate Software Engineer
Developers Den LLC [31/07/2023 – 31/12/2023]

City: Islamabad

As a React Native Frontend Developer, I bring invaluable expertise in crafting cross-platform mobile applications that seamlessly blend cutting-edge technology with user-centric design. My commitment to optimizing performance, coupled with a keen eye for detail, ensures the creation of visually striking and intuitively functional interfaces. My passion for staying at the forefront of React Native development, combined with a collaborative spirit, enables me to contribute effectively to cross-functional teams. In the ever-evolving landscape of front-end development, I am dedicated to delivering exceptional and impactful solutions that transcend conventional boundaries, making a valuable and lasting contribution to the digital realm.
